Dear Volleyball NT,

Fireflies Incorporated hereby formally request to be an affiliated member of Volleyball NT. Our committee have read and accepted the compliance requirements in Part 3 of Volleyball NT's constitution.

Fireflies as an incorporated volleyball club in the Northern Territory aims to promote growth in the sport of volleyball in the Northern Territory through junior development and encouragement for all genders and skill levels.

If accepted, we would like to nominate our Treasurer, Johannes Baluyot as our representative delegate.

Thank you for your consideration.

Hi Fireflies,

As per our constitution, which is available via our website, you must request affiliation in writing. An email would be accepted as a written request as long as it was from the FireFlies email account. Please ensure that you have read Part 3 - Affiliation of our constitution and comply with the requirements as stated. A fee is not required to accompany the request.

VNT is meeting on Monday 6th of Feb. Your application will be considered at this meeting, if received prior to this date.

Cheers
Anne
