Hi Anne,

Season 2 starting dates are 19th and 20th of August.

There is also a new incentive this season to get teams to enter and build up the league hard court competition, as you would have seen by the email Free sent out yesterday. Basically if a team plays the full season, at the end of the second season (season 1 next year) the winning team gets up to \$2,000 spending money towards a hard court competition. There are terms and conditions that are being finalised now and will be sent out shortly. Other than that we don't really have much else to report.

Thanks,
Sarah on behalf of the DVA committee
