Hi Anne & Stu,

I'm proving to be spectacularly unreliable when it comes to Skyping in to VNT meetings. I will blame it on juggling late days at work, dinner & kids. Thursday evening just gone completely disappeared.... by the time I checked my watch it was 6:15pm. My sincere apologies.

Update from Gove:

- our next indoor season starts with a Sign-On night 1st Sep, 6-7pm. Social hit and teams to fill our forms, find new players etc...
- Season 2 games start 8th Sep, games will be played Tuesday nights again, Grand Final in November
- Stu (and Scott) assume you guys are still planning to visiting for beach volleyball, Aug 30th..... What are your plans for flights and accommodation? Davin's contacted the schools re. coaching on Friday 28th; there was interest at the start of the year, although no replies to his recent email. We will chase up if you are still planning to be in Gove for the 28th. Dav's also contacted the high school to see if we can use the hall for adult coaching Sat 29th.

Cheers, Sally
