Hi Anne,
Sorry for the late reply.

DVA Are set to kick off the first seasons of 2016 starting on the 24th of February. DVA are offering the usual Thursday night Mix Social and have put together a new segregated social format (Men's and Women's Social) for Wednesday night. This is a clear change of direction from a League type format in response to feedback received last year. More can be explained, if required on Thursday.

Sarah Cunnington will also attend.
