Matt O'Brien

Dear Matthew,

Congratulations on securing a place at the Coaching Camp being held in Bendigo 2015.

Volleyball Northern Territory (VNT) committee has reviewed your request to provide financial support to attend the National Coaching Camp in December. Your request was approved.

One of the strategies for VNT is to grow participation through programs that allow for a lifelong participation in the sport and fosters talented individuals to achieve their potential. Some of our initiatives to achieve this are;

- to develop a coach and officials development program to increase the development of the sport and
- develop the sport pathway to foster talented individuals to achieve their potential.

To assist VNT in working towards achieving this outcome and to share your knowledge and experience gained at this camp VNT would like you to assist with a similar event in the Northern Territory (NT) sometime between Feb and June 2016.

A report on your experiences and your opinion on current programs held in the NT will assist our acquittal process.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Stuart Smith", written over a horizontal line.

Stuart Smith
Chairperson
VNT

7th December 2015
