Hi Anne,

I'll have to be an apology tonight as well.

In terms of an update from Katherine, we are commencing our Semester 2 competition next Monday night with 11 teams. This will run through to late November.

We are following up the player registration details on a couple of the teams and will supply this asap.

Our club would like to express thanks to VNT for the fantastic coaching clinic that was arranged in June. All participants were highly complimentary of the 3 coaches and all learnt a great deal during the session.

We would be very keen to participate in further clinics, particularly refereeing courses as this is an area many of our duty teams are struggling with.

Talk to you soon.

Regards,

Cindy
